If necessary, a dilated exam for a peripheral retinal exam or for diabetes may be done during the vision care appointment, but a follow up medical exam may be required.

Contact Lenses: If you wish to have an exam for contact lenses, there is an additional charge for this type of exam. Please check with the Temple Department of Ophthalmology.

HEALTHEQUITY|WAGeworks FLEXIBLE SPENDING ACCOUNTS

Eligibility: Begins on the first day of full-time employment.

Accounts: A Flexible Spending Account allows you to contribute money, on a pre-tax basis, to pay for eligible healthcare expenses and for dependent care expenses. You may enroll in one or both – healthcare and dependent care are set up as separate accounts. You do not pay federal income tax or Social Security tax on these contributions.

You elect an annual amount to contribute and Temple will deduct the amount in equal installments from your pay for the balance of the calendar year.

Enroll: Enrollment is on-line at www.wageworks.com or you may call Wage Works at 1-877-924-3967. To enroll on-line, register as a first time user and create a password to set up your account. You have 31 days from the date of your benefits orientation to complete the enrollment process. Enrollment is for the current calendar year only; you must re-enroll each December for the next calendar year.

Healthcare Account

Healthcare Account Expenses can include those incurred by yourself, your spouse, or any dependent that you claim on your income tax return.

Some examples of qualified expenses are as follows:

- Deductibles and co-payments for Healthcare plans (medical, dental and vision)
- Co-payments for prescription drugs
- Amounts over usual and customary plan limits
- Purchase of prescription sunglasses, contact lenses and cleaning solutions

The maximum annual deduction qualifying for pre-tax reimbursement is \$3,300 for the 2025 calendar year.

When you enroll, you will receive a Healthcare Prepaid Visa debit card with the value of your annual election amount loaded onto the card. You may use the card like a credit card to pay for eligible Healthcare expenses. The money is deducted directly from your Healthcare spending account. As an alternative, you may elect to file claims for reimbursement.

For additional information, visit their website at www.wageworks.com or contact Wage Works customer service at 877-924-3967.

Dependent Care Account

Eligible expenses are only those expenses that you incur because you work, and are expenses for services received during the calendar year in which you are participating. If you are a two-parent family, both parents must be working in order to qualify for the Plan.

Eligible dependents are defined as:

- 1) children under the age of 13;
- 2) older, disabled dependents that you can claim on your tax return.

The maximum annual deduction qualifying for pre-tax reimbursement is \$5,000 per household \$2,500 if married, filing separately.

You may arrange for direct payments to your provider or you can file claims along with the required documentation and be reimbursed by direct deposit or check.

For additional information, visit their website at www.wageworks.com or contact Wage Works customer service at 877-924-3967.

Commuter Benefits Program

You place your order based on how you currently get to work (regional rail, bus or subway) and Wage Works will fulfill your order by mailing you a pass or recharging your commuter card just prior to the beginning of the month. These charges are deducted from your paycheck each month. The portion of your cost that is deducted pre-tax reduces the amount of earnings on which you have to pay taxes (this is how you save). If you choose the "Every Month" frequency, you will automatically get the same order each month until you change or cancel it or become ineligible for the program.

Unlike health care and dependent care flexible spending accounts, there is no open enrollment period for the commuter benefits program *and you can enroll or cancel your enrollment at any time.*

Enroll: Enrollment is on-line at www.wageworks.com or you may call Wage Works at 1-877-924-3967. To enroll on-line register as a first time user and create your own account.

Summer Sessions: An eligible dependent child who is a full-time matriculated student at any University, including Temple, may receive tuition remission for Temple University courses taken over the summer sessions. In the School of Pharmacy, tuition remission is limited to undergraduate programs.

TUITION REMISSION PROGRAM

The tuition remission program includes expenses for tuition only; any other fees are not covered under the program. Employees should also be aware that in any given semester, the value of tuition remission benefits on a per-credit-hour basis will equal the per-credit-hour rate of the least costly program offering the degree at Temple University. For example, the calculated rate of tuition remission pre-credit-hour for the Executive MBA program will not exceed the standard per-credit-hour rate for the traditional MBA program.

The first step is to register for the course(s). For assistance with the registration process, you may contact the **Academic Resource Center**.
